Athletes, indeed, choose to take part in the competition at their own risk, knowing well that races will occur in wonderful but sometimes even wild and dangerous places. As mentioned above, weather conditions can be unpleasant, plus the signal can be very limited or completely lacking in some

spots; also, mind and body could be under pressure in an absolutely out of the ordinary way. Never underestimate the risk of serious and even fatal accidents.

12 – ENVIRONMENT SAFEGUARD

After climbing the top of Vesuvius, they will get through the wild part of “Valle dell’Inferno” (Hell Valley), with the famous via Matrone and the Carcova, where the insurgent Spartacus defeated the Roman legions in the Vesuvius Servile War. Above all, athletes will travel the wooded ways of Mount Somma mountain range and its peaks called “cognoli”. The starting/arriving zone, the famous Castello Mediceo (Ottaviano) will be a nice throw-back to medieval era, when it was the residence of the Medici family.
